GOLD SPONSORS

TESTIMONIALS...

"It is a well organised, well timed event with true focus on getting the most out of a couple of days. Workshops and meetings are really helpful"

Israel Madeido Network Planning Manager, Cablevision Mexico

"This is a unique and perfect way to establish business contacts with potential customers from a wide area and many countries. It is a intensive but very efficient and beneficial"

George Steen Christensen VP, Northern Latin America, RTX Telecom

"Excellent format to get valuable industry information, solutions available and point of view. The venue allows a conversation where you can share challenges and listen how other organisations have solved them"

Adrian Cudros CTO, Alestra

Emerging Capital Market – (21/10/09) <http://www.emergingcapitalmarket.com/>

The screenshot shows the homepage of Emerging Capital Market.com. At the top left is a glowing blue globe. The site title "Emerging Capital Market.com" is in green, with the tagline "News and views on emerging economies and investments" below it. A navigation bar includes "Asia", "India", "Latin America", "Russia", and "Login". The main content area features two articles, both with the sub-header "New connection - Mon, 19/10/2009 - 17:01" and the category "Emerging Markets".

Pyramid Research to Lead NGT20 Session at NGT Latin America Summit

CAMBRIDGE, Mass., Nov. 2 (PRNewswire) – Pyramid Research (www.pyr.com), the telecom research arm of the Light Reading Communications Network, has been chosen to participate in the Next Generation Telecom Summit for Latin America, to be held on November 10-12 in Panama (www.ngtsummitla.com).

Cristiano Laus, Manager of the Global Telecom Consulting Practice for Pyramid Research will lead discussions around the direction of technology investments and business strategy in Latin America's telecoms market, including the NGT20 Session on November 10 and a workshop entitled "From 3G to LTE: Latin America's Path to Mobile Broadband."

"The Pyramid Research group has a fantastic reputation in emerging markets worldwide and especially among operators in Latin America which is why they have chosen to support the NGT Latin America event this year in Panama," comments Paul Southwell, NGT LA Summit Director. "Cristiano Laus will be attending his second NGT event and will lead discussions on what technology strategies have worked in the region, where they have worked, and why."
